

The Essentials of Leadership

The Core Purposes of a Leader

- Keeps the Group Together
- Gets the Job Done

These two points are the ultimate measure of success of any leader.

The Three Key Functions of the Role of a Leader

- Authority* • The earned right to make decisions that comes from the group
- Responsibility* • The assignment for achieving a goal, and guiding the group to achieving their goals
- Accountability* • The acceptance of success or failure of achieving the goal or goals of the group

The Goal Directed Leadership Strategy
